EPIGRAMMA
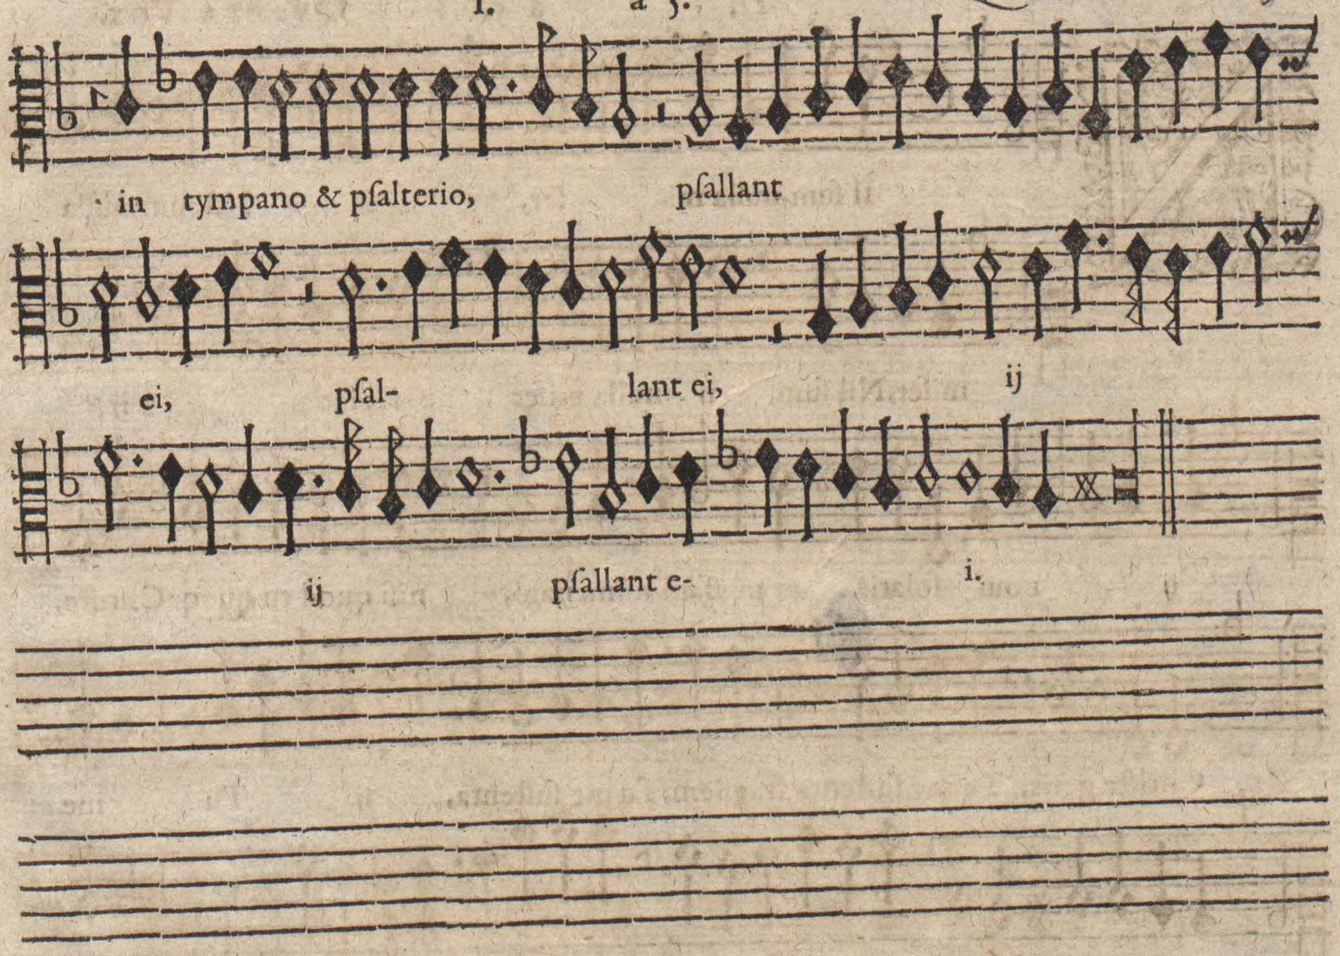

In Cantilenas ſuauiſſimas Iohannis Chuſtrouii Muſici.
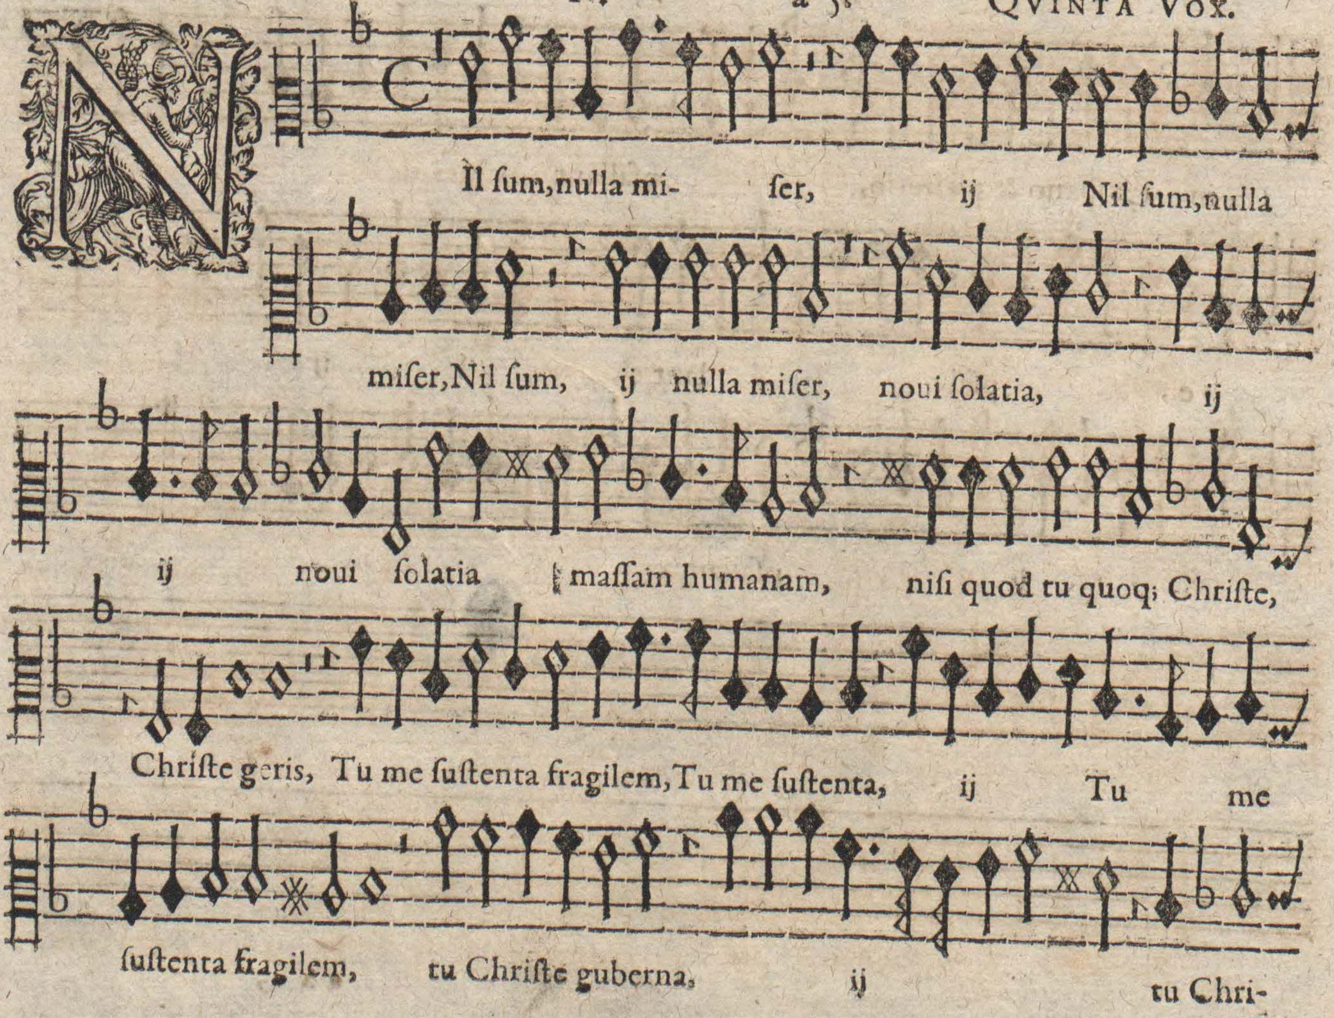

Fama fidem fecit modulis quod Thracius Orpheus
Innumeras volucres, ſyluas, animoſque ferarum,
Et rigidos ſilices (quod mirum) traxerit, & quod
Flexerit inſanam ſtygiis quæ præſidet vndis
Diuam, quo Eurydicen poſſit reuocare maritam.
At maior laus eſt Chriſti quod ſeruit honori
Muſica, quod meritis hunc ornat laudibus vnum,
Quod celebrat blandis huius magnalia plectris,
Factaq; mirandâ noſtram bonitate ſalutem
Æternam ſitiens toti quæ præſtitit orbi.
Sic quoties ſanctas ſenſit ſub pectore flammas,
Regius hanc operam ſumpſit quo carmine pſaltes,
Et Cythara immenſas caneret certo ordine laudes
Principis æterni vaſtum qui condidit orbem.
Sic quoque in humanas noctu cum naſcitur auras
Verus homo Immanuel Maria de virgine Chriſtus
Sancta cohors inter nati noua gaudia Regis
Angelicum tanto modulatur munere carmen.
Et iuſtum ſummo Patri perſoluit honorem.
Tu quoq; ſic gratum præſtas ſanctumq; laborem
Chuſtroui tua dum concentu Muſica ſuaui
Innumeras laudes, & facta ingentia IOVÆ
Prædicat, aduentum Chriſti, natalia, flagra.
Horrendamq; canit mundi pro crimine mortem.
Et canit illuſtrem deuicta morte triumphum,
Quodq; Dei ad dextram victor conſederit, & quod
Hoſtibus in prædam verſis ſpolia ampla reportet
Iuſtitiam nobis, vitam æternamq; ſalutem.
Hæc tua Muſa nouis pariter concentibus efferet
Quæ Chriſtum lætis gaudet celebrare Camœnis.
Atq; ſimul mœſtas reparat redditq; quietas
Curarum torpent quando fuligine mentes.
Perge Deum notulis Chuſtroui efferre canoris.
Perge hominum vitæ ſeruire fideliter arte.
Sic tibi perpetua Numen bonitate fauebit.
Sic tibi poſteritas recinet pro carmine grates.
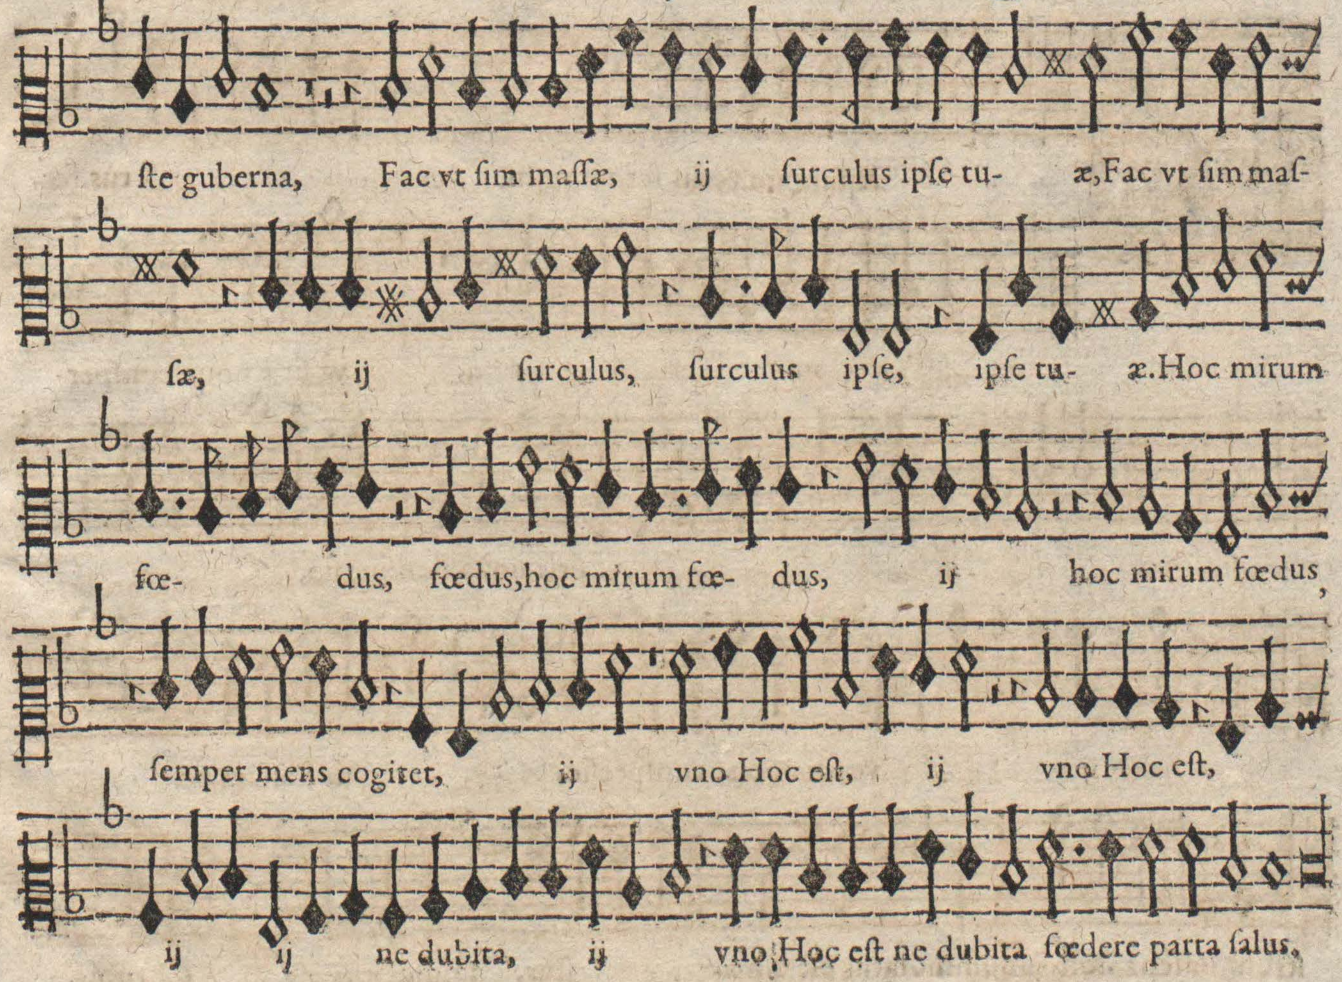

Ludolphus Danckwort. L.
